My father's family history includes (according to family records) Wynan Van Namen from Rotterdam, Holland (immigrated to New Orleans in 1818) who married Ann Cordelia Calloway. They had a daughter Rebecca A. Van Namen. She Married John C. Cain. They had a daughter Nannie A. Cain. She married Elbert(?)Pevy. They had a daughter Alice Rebecca Pevy (my grandmother). Mr. Pevy died before my grandmother was 3 years old. Does any of this fit with your research?
